.....

Kind attention of exporters, Customs Brokers and all other stakeholders is drawn to the Board's Circular Nos. 13/2019 - Customs dated 03.06.2019 regarding Implementation of PGA eSANCHIT.

2. 'eSANCHIT' application is successfully in operation since 01.04.2018. Further with the objective of further reducing physical interface between Customs/regulatory agencies and the trade and to increase the speed of clearance in both imports & exports, a facility to upload digitally signed Licenses/Permits/Certificates/Other Authorizations (LPCOs) by Participating Government Agencies (PGAs) on eSANCHIT at all ICES locations across India was introduced from 16.11.2018 vide Circular No. 44/2018-Cus. dated 13.11.2018.

3. Initially, only three PGAs namely CDSCO, CPCB and WCCB were brought onboard eSANCHIT with the facility to upload one LPCO each. Subsequently one more PGA namely DGHC was also brought onboard with all its LPCOs. Now 23 more PGAs with their LPCOs as detailed in the Annexure are being brought onboard eSANCHIT platform. Further, the above mentioned PGAs that were already onboard shall also start uploading their remaining LPCOs. The communication of the IRNs pertaining to LPCOs uploaded by PGAs will also be made to the beneficiaries only through the email
