F. No. S32/195/2018 Licence Section (Export)

Dated: 18.12.2018

ALERT CIRCULAR NO. 02/2018

Ref: Audit Enquiry No.01 dated 09.11.2018.

Recently an Audit Enquiry report was submitted by the CRA party after a routine audit of the Licence Section of this Custom House. As per the report a large number of MEIS scrips for huge amounts were granted to various exporters due to misclassification of export goods with wrong RITC.

RITC of the export goods needs to be verified w.r.t. description in all export documents, and corrected if necessary, before granting Let Export Order (LEO) in respect of each Shipping Bill. Failure to comply with the said requirement can result in granting of ineligible scrips again.

In this regard, it is brought to the notice of all officers who assess/ grant LEO the need to be more alert while clearing export consignments.
